COMPANY INTRODUCTION

Aqua Guard, a Sharjah based company is a one stop shop for Swimming Pools, Pool Equipment, Child Safety barriers, Lifeguard Equipment and Shades (Car Parking, Pool Shades and Play Area Shades).

We are into business since 2008, catering all over GCC and having offices in UAE and Saudi Arabia.

We have a wide range of Pool Equipment and offer huge selection of pool safety barriers and Lifeguard Equipment.

We undertake Swimming Pool and Water Feature construction, refurbishment and maintenance jobs.

We also under-take fabrication of Shades and Canopies and offer wide range of shading solutions and specialize in shading solutions for schools and universities.

Our jobs are executed by highly skilled technicians under professional supervision monitored by our Technical Team having more than a decade of Industry experience to ensure highest quality standards and on time delivery.

We have the adequate skills and right team to execute projects involving multiple villa pools, water features and shading areas larger than 1000 sqm !

Please feel free to contact us for all your related inquiries.

Thanks & regards,
AQUA GUARD TEAM
